WALL2FLOOR

IT. Sistema continuo per la decorazione di pareti e pavimenti

Pareti e pavimenti di design. Superfici continue e senza giunte dove la materia è protagonista con il suo fascino senza tempo.

Wall2Floor è un rivestimento decorativo per superfici orizzontali e verticali interne, che permette la realizzazione di finiture senza giunte. Wall2Floor offre soluzioni estetiche di grande pregio, con prestazioni in grado di rispondere alle aspettative di progettisti e architetti.

Wall2Floor è la risposta alle molteplici esigenze tecnico-estetiche dell'architettura contemporanea, in ambito privato o commerciale, nelle seguenti aree di utilizzo: Residential, per superfici orizzontali e verticali, in interni ed esterni protetti, mediante l'utilizzo delle varianti in microcemento Wall2Floor Top Coat e Top Coat Fine; Hospitality & Wellness, anche in area umide, grazie alla soluzione epossidica e resistente all'acqua Wall2Floor Top Coat Waterproof.

EN. Seamless system for the decoration of walls and floors

Design walls and floors. Continuous and seamless surfaces where matter is the protagonist with its timeless charm.

Wall2Floor is a decorative coating for internal horizontal and vertical surfaces, which allows the creation of seamless finishes. Wall2Floor offers aesthetic solutions of great value, with performances able to meet the expectations of designers and architects.

Wall2Floor is the answer to the multiple technical-aesthetic needs of contemporary architecture, in the private or commercial context, in the following areas of use: Residential, for horizontal and vertical surfaces, indoors and outdoors protected, through the use of the Wall2Floor microcement variants Top Coat and Top Coat Fine; Hospitality & Wellness, even in humid areas, thanks to the epoxy and water-resistant solution Wall2Floor Top Coat Waterproof.
